

... where children explore,  
discover & achieve

# Primary 2018 Summer Program (Ages 3 – 6)

**Week 1, June 4-8: Our Animal Friends:** We will learn more about the barn animals that live with us at school, along with other farm animals. We will enjoy songs, stories, and art projects that are both familiar and new to the children and learn how to be safe in the barnyard while spending time with our goats, chickens and rabbits.

**Week 2, June 11-15: Let's Grow a Garden:** Come learn where our food comes from! We will learn about the parts of the plant and the plants that we eat by utilizing the school gardens. We will enjoy planting and caring for our garden.

**Week 3, June 18-22: Exploring the Outdoors:** It's adventure time! The children will learn what to pack in a backpack, as well as hiking and fishing safety. We will explore our own Middle Creek for wildlife and aquatic life, become more aware of weather, and enjoy the great outdoors.

**Week 4, June 25-29: Animals of Montana:** What animals live in Montana and how do they live? What do they eat and how can we find them? Let's explore their lives and habitats. We will learn about local wildlife and look for animal tracks.

**Week 5, July 2-6: (Closed July 4): America the Beautiful:** Flag-making, firework art, and patriotic singing will fill this festive week. We'll learn about our country and our flag, and talk about where we live and where we have visited.

*"Montessori summer camp is really, really cool!"  
and "Why can't it be summer camp all year long?"  
~ Quotes from two 4 year olds*  
*"I love that my children are still learning in the  
summer while having fun spending time outdoors."  
~ Quote from a mom of two*  
*"My kids loved going to MCM last summer and can't  
wait to go again this summer; they really love the slip  
'n slide on Friday afternoons!"  
~ Quote from a mom of two*

**Week 6, July 9-13: Dinosaur Dig:** Who were these giant creatures who used to live in Montana? Hands-on activities will help us visualize and experience dinosaurs in a new way that is both fun and educational!

**Week 7, July 16-20: Bugs, Bugs, Bugs:** We will spend this creepy, crawly week collecting and studying bugs from our gardens, woods and creek, and setting up an insect ecosphere where we can observe them peacefully. Bring your jars and bug nets!

**Week 8, July 23-27: Our Healthy Bodies:** We will learn some really cool things about our amazing body and how to help it grow strong and healthy. We will find out about our bones, organs and the systems that help us stay alive, and how food is important to our health and happiness.

**Week 9, July 30-August 3: Things that Go:** This week will be full of things on wheels, including planes, trains, cars, trucks and construction equipment of all kinds! Join us for art projects and all sorts of fun with things that go!

**Week 10, August 6-10: Under the Sea:** Everyone loves the ocean and the incredible fish, sea animals and plants that live in it. This week we will study sea life, learning about whales, sharks, sea turtles and seashells. Throughout the week we will join together to make a wall mural of amazing sea creatures!

### Daily Activities Include:

- Montessori trained teachers and lessons, along with hands-on activities in the morning
- Art projects, music and creative expression
- Nature walks and gardening
- Outdoor water play in the afternoons
- Bring your bathing suits and sun screen!
- After-School program offered until 5:30 p.m.
